"God does not weigh the property but the conscience of those who offer; nor did He consider the smallness of the sum in her offering, but what was the store from which it came... She casts two mites into the treasury, because she brings the love of God and of her neighbor, or the gifts of faith and prayer; which are looked upon as mites in their own insignificance, but measured by the merit of a devout intention are superior to all proud works."

Saint Bede the Venerable

November 11, 2018
